

Pathway2Careers™ Make Math Meaningful

- Pathway2Careers (P2C) bridges the gap between textbook theory and real-life application
- P2C offers Beginning of Year, Middle of Year, and End of Year assessments for 8th Grade Math, Algebra I and IIa, and Geometry
- Students see how their learning applies to their current and future employment potential
- Pathway2Careers math curricula is on the NMPED approved supplemental materials list.

About Careers2Communities

Careers2Communities seeks to improve outcomes for all students. The program, funded by The Expanding Access to Well-Rounded Courses Demonstration Grants Program, will **enhance college and career readiness** through a series of online Career and Technical Education and well-rounded education programs. *P2C is one of the series of solutions made available through the C2C program and supported by MC².*
